Progress as Promised... The First Memorial Brick Display is Complete!

With Boy Scout, Luke Johnson leading the way, community volunteers, Brian Brown, Kimberly Sandy, Noah Rogers, Ethan Hein, Aubrey Williamson and Dallas Johnson, all helped to deliver the first installment of the

CCBC Memorial Bricks, a pathway leading up to the tree planted by former youth residing in the East of Boonville.

These bricks, meant to memorialize a loved one, an alum of Sumner School, CCBC supporters, and others, are now on display!

These memorial bricks are an ongoing fundraiser, "Rebuilding CCBC, One Brick at a Time", and are still available for purchase. Other displays will be built in and around the CCBC Community Building in the years to come. Materials and labor were graciously donated or provided at a reduced cost by Boy Scout Troop 67, Midwest Block and Brick of Columbia, Missouri River Monument Company, and members of the CCBC.

If you are interested in purchasing a brick, please e-mail: executiveassistant@ccbcboonville.com.
