Pleased to see "Progress" on the East of Boonville!

After a year of working with the City of Boonville, CCBC, Inc. is pleased to share the demolition of the abandoned home on the corner of Rural and Hart Street located next to CCBC, Inc.

While CCBC, Inc. is thrilled to see this occur, we still feel a sense of loss of a home. We will continue to make preserving the legacy of this historic area, a **PRIORITY** of our organization's objectives, while working with those genuine individuals and entities in investing the time, finances, talents, and resources to modernize a very neglected area of our City. Furthermore, we appreciate the hard working people with the City of Boonville for their partnership and diligent efforts in helping the CCBC, Inc. revitalize the East of Boonville.
