Issue 10 Summer 2015

CCBC, Inc. Provides Summer Food Program Once Again!

In partnership with the Boonslick Heartland YMCA, CCBC, Inc. has been serving healthy lunches to children and teens throughout the summer.

The workers within the CCBC's Summer Food Program are comprised of all ages. They have been extremely busy prepping lunches Monday through Friday for three (3) locations throughout Boonville. The locations serving lunch (and snacks) includes the CCBC Community Center, As The River Flows Outreach Food Bank (1640 Radio Hill Road), and the Nelson Memorial United Methodist Church (407 East Spring Street). This program is open to all youth, 18 years and younger and requires no cost or enrollment. CCBC, Inc., started serving healthy summer lunches, June 22, 2015 and will continue to do so until August 17, 2015.

While this year we are proud to partner with the Boonslick Heartland YMCA, it is our hopes that next year and the years to follow the CCBC, Inc. will be have the tools, manpower and expertise to provide these lunch services without a sponsored partnership. CCBC, Inc. is currently not profiting from this program, but better yet, fulfilling the nutritional needs of our youth in Boonville.

Tour the New CCBC, Inc. Website

As CCBC evolves, so does it's resources! Released late last spring, CCBC's website officially went live! Now community members and others across the nation can log onto www.ccbcboonville.org to learn about the past, present and future of the CCBC as well as keep up to speed on what's going on, make donations, join our membership, download newsletters and contact the Board of Directors.

This is very exciting and was long over due! The website is being maintained by Garrett Fuller of Garrett's Websites and will be updated regularly so nothing is missed!

Mr. Fuller and his team along with CCBC are always open for suggestions. If you see a need that would benefit viewers, please feel free to contact us at any time.
